Registering a Secure Token

Follow the steps outlined in this topic to register secure tokens. Registering a secure token is necessary to complete any activities that require secure token authentication.

This option is available if the financial institution has configured their authentication settings to allow secure tokens and you have downloaded a virtual token or were given a physical token.

1. Log in to Commercial Online Banking.
A prompt appears, asking you to register your token.

Secure Token Registration

If you have received or installed your Secure Token/Credential, register it by entering the information requested below. If you do not wish to register your Secure Token/Credential at this time, or if you have not yet received or installed it, select Remind me later.

1. If you have a key fob, enter the Serial Number, which is located on the back of the fob after the letters "S/N". If you are using a virtual token, enter the Credential ID, which begins with 4 letters.
2. Enter your Credential/Token Code. This is the random, six-digit code that is displayed on your credential.
3. Create a 4-digit PIN and enter it twice to confirm it. You will use this PIN in conjunction with the random code generated by your Secure Token/Credential.

You may be prompted to authenticate certain activities by replying to a text message, answering an automated phone call, or entering a secure token code. Your institution defines what activities require extra authentication. Activities that may require extra authentication are:

- Approving payments/templates/beneficiaries/users
- Creating ACH/wire/transfer/loan payments
- Creating beneficiaries
- Creating templates
- Creating users
- Deleting payments/templates/beneficiaries/users
- Editing payments/templates/beneficiaries/users
- Updating email address

User Menu

The user menu allows you to view and edit your personal and security information. It also allows you to change your password.

Profile and Preferences

Use the *Profile & Preferences* view to set up your personal and security information.

User Information

This information auto-populates when you open this page the first time.

Use this section to update your personal information. The **Name** and **Login ID** cannot be edited. Your financial institution or company administrator configures this information. You are able to change your email address and phone, mobile, and fax numbers.

NOTE

If you enter your phone number, messaging and data rates may apply.

Security Preferences

Use this section to update your password. Also, determine if you want to see account nicknames or account numbers throughout Commercial Online Banking.

Changing Your Password

Use the **Profile & Preferences** option to change your password.

1. Navigate to the Commercial Online Banking website.
2. From the **[User Name] Menu**, select **Profile & Preferences**.
3. Select **Change Password** in the *Security Preferences* section.
4. Enter your **Current Password**.
5. Enter your **New Password**.
6. Re-enter the new password for the **Re-enter New Password** field.
7. Select **Save**.

Configuring Notification Preferences

The preferences configured here determine how your notifications are sent and appear within Commercial Online Banking.

1. From the **[User Name] Menu**, select **Notification Setup**.
2. Enter or change your **Email** address.
3. Enter the phone number to receive text messages on for the **Mobile #** field.
This field is required if you select **Text Message (SMS)**.
4. Select the toggle to enable the notification.
If it is gray, you do not receive a notification.

NOTE

If we requires a particular notification, you cannot change the settings for that notification.

5. Select the **Email**, **Desktop Notification**, or **Text Message (SMS)** check boxes for each enabled (green) item to receive a notification using that method.
Repeat this step for every item in all sections.

NOTE

If we set **Text Message (SMS)** as required, you are required to enter a mobile address.

6. Select **Submit**.

TIP

To return all fields to their default settings, select **Reset**.

Logging Off Commercial Online Banking

Follow the steps outlined in this topic to log out of Commercial Online Banking.

1. From the **[User Name] Menu**, select **Log Off**.
A *Confirm Log Out* dialog box appears.
2. Select **Log Out**.

Cut-off Times

Access **Cut-off Times** in the top-right corner of Commercial Online Banking.

Cut-off times indicate when a wire, ACH, or internal transfer must take place by. For example, if the cut-off time for **Internal Transfers** says 8:00 p.m., then all internal transfers should be submitted by 8:00 p.m. for processing that day. A notification is sent as a reminder.

Notifications

Access **Notifications** in the top-right corner of Commercial Online Banking. Notifications also appear in the bottom right corner of Commercial Online Banking while working.

Archive All

Select the **Archive All** option to archive, not remove, all notifications. Select **Archive** to confirm.

View All Notifications

Select the **View All Notifications** option to see an entire list of notifications, even those that have been archived. From this page, you can filter by type (**All Notifications**, **Unread**, **Read**, and **High-Priority**).

Select the check mark beside the notification, and then select **Mark Read**, **Mark Unread**, or **Delete**.

Filter the results by using the search box or by using the fly-out menu.

Message Center

Use the Message Center to send and receive secure messages to and from your financial institution.

Click the **Message Center** button to access your inbox. You can also view your **Sent** or **Archived** messages. When new messages are received, a notification is sent to your email address on record.

Select the column headings to sort the messages in each of the available folders. You can also enter information from one of the column headings in the **Filter** text box to search for a specific message.

Composing a Message

Follow the steps outlined in this topic to create messages in the *Message Center*.

1. Select the **Message Center** button.
2. Select **Compose**.
3. Select a **Subject** from the drop-down list.
 - Transaction Inquiry
 - Checks
 - Stop Payment
 - Security
 - Reports
 - Electronic Documents
 - Notifications
 - Transfer
 - Wire
 - ACH
 - Positive Pay
4. For the **Attach File** field, select **Select File**, and then choose the appropriate file if needed.

Accepted file type extensions are .csv, .doc, .docx, .gif, .jpeg, .jpg, .pdf, .png, and .txt.
5. Enter the **Message** to send to the financial institution.
6. Select **Send**.

Archiving a Message

Follow the steps outlined in this topic to archive messages. Archived messages disappear from your inbox but can still be viewed in the *Message Center*.

1. Select the **Message Center** button.
2. Select a message to archive from the **Inbox**.
3. Select **Archive**.

An *Archive Message* dialog box opens.
4. Select **Archive**.

You can view archived messages by selecting **Archived**.

Performing an Advanced Search in Message Center

Follow the steps outlined in this topic to perform advanced searches in the *Message Center*.

1. Select the **Message Center** icon.
2. Select **Advanced Search** beside the **Filter** text box.
3. Enter the **Message ID**, if known.
4. Select the **Subject** of the email from the drop-down list.
 - Transaction Inquiry
 - Checks
 - Stop Payment
 - Security
 - Reports
 - Electronic Documents
 - Notifications
 - Transfer
 - Wire
 - ACH
 - Positive Pay
5. Select a **Date** from the drop-down calendar when the email could have been sent, received, or archived.
6. Select the **Type** of email.
 - All
 - Inbox
 - Sent
 - Archived
7. Select **Search**.

Dashboard

Use the **Dashboard** menu to view your accounts, news items, favorite reports, payments pending approval, and other available widgets. You can also make transfers and quickly access commonly used resource links.

TIP

Adjust the layout by selecting **Configure Dashboard** in the top-right corner of the *Dashboard*. You can add, remove, edit, resize, and drag widgets to customize the *Dashboard* to work best for you.

NOTE

A modal message may appear over the *Dashboard* when you log in to your account. Select **OK** to acknowledge this message. After you acknowledge the message, it can still be accessed in the *Information Center* widget.

Accounts

Upon initial login, two account groups appear by default. No accounts appear until you assign accounts to the groups by selecting **Manage Groups**. You can also edit the group names and add or remove groups.

TIP

Select **Details** to view current, collected, and available balances and line amounts. You can see a daily balance trend for the last 10 days and view the last 10 days of transactions.

- Manage Groups
 - **Add Accounts** – Select **Add Accounts** to assign accounts to groups. Select the box next to the accounts that you want to assign to the group. Select **Add Accounts** to save.

NOTE

An account can only be assigned to one group. If an account is assigned to a group, you must first remove it before you can add it to another group. A group can have a maximum of 50 accounts assigned.

- **Create New Group** – Select **Create New Group** to create an additional group to assign accounts to. Enter a unique **Group Name** and then select **Add Accounts** to assign accounts.
- **Delete Group** – Select **Delete Group** to remove the group.

Information Center

View news items, added by your financial institution, in this widget. Select the drop-down arrows to expand or collapse these messages. Different icons may appear in this widget. A blue icon indicates information. A yellow icon indicates a warning. A black bell icon indicates an alert.

Resources

Access links to helpful and commonly used sites by your financial institution in this widget.

Quick Transfer

Create a simple one-to-one transfer without leaving the *Dashboard* in this widget.

1. Use the type-ahead fields or select **Search** to choose the account number or account name to transfer from and to.
2. Enter the amount and transfer date.
3. Review and confirm the transaction.

TIP

To initiate a bulk one-to-one, one-to-many, or many-to-one transfer, select **Advanced Transfer Options** to go to the *Create a Transfer - Internal Transfer* page.

Quick Loan Payment

Create a quick payment on a loan without leaving the *Dashboard* in this widget.

Favorite Reports

The reports that have been marked as favorite appear in this widget. Selecting a report in this widget takes you directly to that report, where you can view and customize the results, and create a custom report.

TIP

By default, the widget is blank. Mark reports as favorites in the *Reporting Dashboard* for them to appear.

Positive Pay

View, pay, or return the check and ACH exceptions that are pending approval in this widget.

Stop Payment Pending Approval

View, approve, or reject the stop payments that are pending approval in this widget.

Payments Pending Approval

View, approve, or reject the transfer, ACH, or wire payments that are pending approval in this widget.

Accounts

Use the **Accounts** menu to search for and view a list of accounts categorized by type (deposit, time deposits, and loans) and to search for specific transactions of accounts that you are entitled to view.

Account List

Use the *Account List* view to see specific account details.

To find an account, start typing either the account number, account name, status, current balance, collected balance, or available balance in the filter box at the top of the page.

Refresh Balances

Select at any point to ensure that you are viewing the most up-to-date account balance information.

Account Number Link

Select this link to view more information about a particular account. An *Account Transactions* window appears, and you are able to select **Transaction Dates** to view transactions for a set time period. From the *Account Transactions* window, if you select **Advanced Transaction Search**, you are redirected to the *Research Transactions* view.

Actions Drop-Down Menu

The following options are available from the **Actions** drop-down menu on the *Account Lists* page:

- **Transfer To** - Redirected to the *Create a Transfer* page with account prefilled.
- **Transfer From** - Redirected to the *Create a Transfer* page with account prefilled.
- **Download** - Allows you to download account transactions from a specific **Date Range** and in a specific **Download Format**.

Downloading Account Transactions

Follow the steps outlined in this topic to download all account transactions that occurred during the specified date range.

1. Go to **Accounts > Account List**.
2. From the **Actions** drop-down list, select **Download** beside the appropriate account number.
A Download Account Transactions dialog box appears.
3. Select a **Date Range**.
4. Select a **Download Format**.
5. Select **Download**.

Research Transactions

Use the *Research Transactions* view to search for a specific transaction or type of transaction across all accounts that you are entitled to view.

Research Transactions Panel

Select the link found in the *Account* column to view more details of the transaction, including the **Account Name**, **Account Type**, **Transaction ID**, **Transaction Type**, and **Description**.

Select the **View Check** link found in the *Check / Reference Number* column to view the front and back of check images.

NOTE

In the *Amount* column, a negative account balance appears in red and is wrapped in parentheses, and a positive account balance appears in black.

Researching Transactions

Follow the steps outlined in this topic to search for transactions that meet the specified criteria.

1. Go to **Accounts > Research Transactions**.
2. Complete the fields in the *Search Transactions* panel, as necessary.

Transaction Date

Select the desired date or date range.

Account Type

The type of account. Accounts can be Checking, savings, or Loan.

Accounts

Select the appropriate account numbers, or leave all accounts selected by default.

Check # / Reference

Select specific # or Range from the drop-down list. Then, enter the check number or reference number used in the transaction.

Amount

Select specific Amount or Range from the drop-down list. Then, enter the amounts in the text boxes available.

Payment Type

Select any combination from the drop-down list. The options are:

- All Transactions
- All Credits
- All Debits
- ACH
- Wire
- Transfer
- Check

All payment types are selected by default.

Then, select Debit, Credit, or Both.

3. Select **Search**.

The transactions meeting the criteria entered appear in the *Research Transactions* panel.

Select **Reset** for the fields to return to their default settings.

Payments

Use the **Payments** menu to work with various payments. Access Transfer, Wire, ACH, Positive Pay, and Stop Payment options from this menu.

Transfer

Within **Payments** > **Transfer**, you can create various internal transfers, view the transfer list, search transfers, and approve or reject transfers.

Three icons appear throughout the *Transfer* view. Hover over or select these icons to view an informational message.

When this icon appears beside a transfer, it means that there is an information message available for this transfer.

When this icon appears beside a transfer, it means that the transfer has been changed.

When this icon appears beside a transfer, it means that the transfer has an error.

A negative account balance appears in red, and a positive account balance appears in black beneath the account numbers.

Create Transfer

Use the *Create Transfer* view to create a one-to-one transfer, one-to-many transfer, or many-to-one transfer.

Creating a Transfer

Use this option to submit a one-time or future-dated transfer from one account to one or more accounts.

1. Go to **Payments** > **Transfer** > **Create Transfer**.

If any option except One Time is selected, you are not able to select **Add Another Transfer** from this page.

Depending on your selection, you may be prompted to enter data in the following field options:

- **Effective Date**
- **Repeat On Day** or **Repeat On Days**
- **Repeat On**
- **Start On**
- **End On**

Transfer Date

Select the date of the funds transfer using the  calendar feature.

Memo

Enter information related to the funds transfer.

4. Select to add additional transfer details, if necessary.
Depending what kind of transfer you are making, you can initiate multiple one-to-one transfers, add additional **Transfer From** accounts in a Many-to-One transfer, or add additional **Transfer To** accounts in a One-to-Many transfer at one time.
5. Select **Review**.
You proceed to the *Review* tab.
6. Review the transfer information entered to ensure that it is accurate.
7. Select **Confirm**.
The *Internal Transfer Confirmation* screen appears.

From the *Internal Transfer Confirmation* screen, you can take the following actions:

- **Create Another Transfer**
- **View Transfer Activity**

Creating a Transfer from a Template

Use the *Create Transfer from Template* view to work with transfer templates.

1. Select which templates to use.

NOTE

You can only initiate templates with a **Ready** status.

2. Select **Initiate Payments**.
3. Review the transfer information to ensure it is accurate and make any necessary changes to the **Amount**, **Frequency**, or **Date** fields.
4. Select **Review**.
5. Select **Confirm** to submit.
The confirmation screen appears.

Transfer Activity

Use the *Transfer Activity* view to look at a list of transfers with various statuses and also view transaction history.

You can search for a specific transfer, or approve, reject, and cancel transfers from this view.

Searching Transfers

Follow the steps outlined in this topic to search for specified transfers.

1. Go to **Payments > Transfer > Transfer Activity**.
2. Complete the fields in the *Search Transfers* panel, as necessary.

Situation

Steps

Adding a domestic intermediary bank.

a. Select **Search**, and then select the correct bank from the *Bank Lookup* screen.

The system auto-fills the required fields.

b. Enter the **Bank ID, Account Number, Notes, Bank Name, City, and State**.

Bank ID and **Bank Name** are required fields.

NOTE

This option may not appear depending on your institution's settings.

Adding an international intermediary bank.

a. Enter the **Bank ID**, and then select if the ID is a **swift Code, IBAN Number, or sort Code** from the drop-down list.

b. Enter the **Bank City, Notes, Bank Name, and Bank Country**.

Bank ID, Bank Name, and Bank Country are required fields.

7. Select **Review**.

You proceed to the *Review* tab.

8. Review the information entered to ensure that it is accurate.

9. Select **Confirm**.

You proceed to the *Confirmation* tab, confirming that you have successfully created an international beneficiary. Depending on your settings, you may not be able to send an international wire to this beneficiary until they are in an *Approved* status.

NOTE

From this screen, you can select **Send a Wire to this Beneficiary, Create Another Beneficiary, or Wire Beneficiaries**.

Wire Upload Formats

Users can manage wire upload formats from this screen.

The *Wire Upload Template Formatting Tool* allows users to build either a fixed position or delimited file map by selecting **Create New Format**.

Users can also delete or view formats from this screen. By selecting the **Upload Format** name, users can view and edit the selected format.

Creating Wire Upload Formats

Wire upload formats allow users to manage how Commercial Online Banking imports uploaded wire files.

1. Go to **Payments > Wire > Wire Upload Formats**.
2. Select **Create New Format**.
The *Wire Upload Template Formatting Tool* launches.
3. Select the tab for the format desired.
Users can select either **Delimited** or **Fixed Position**.
4. Complete the fields as desired to determine how amounts and dates appear.
5. Map the field positions as desired.

You can drag and drop the different fields to reorder them.

In delimited file formats, the position in the file appears as the tile number and updates when the tile is moved. In fixed position file formats, the tiles show the position on the file and the length of the field. Users can adjust the length by using the up or down arrows.

Optional tiles appear below the required fields. While you cannot move any required fields into the optional section, you can move optional titles to the primary section. Additionally, you can use a filler tile as a placeholder to account for items in files which are not included in payment details.

6. Select **Save** to save the upload format.

ACH

Within **Payments > ACH**, you can create ACH payments and templates, import layouts, view templates, ACH payments, and recurring ACH payment lists, and search ACH recipients. You can also work with ACH tax payments.

Create ACH Payment

NOTE

The **End** value must be greater than the **Begin** value. If the values match, the **End** value appears in red with a warning.

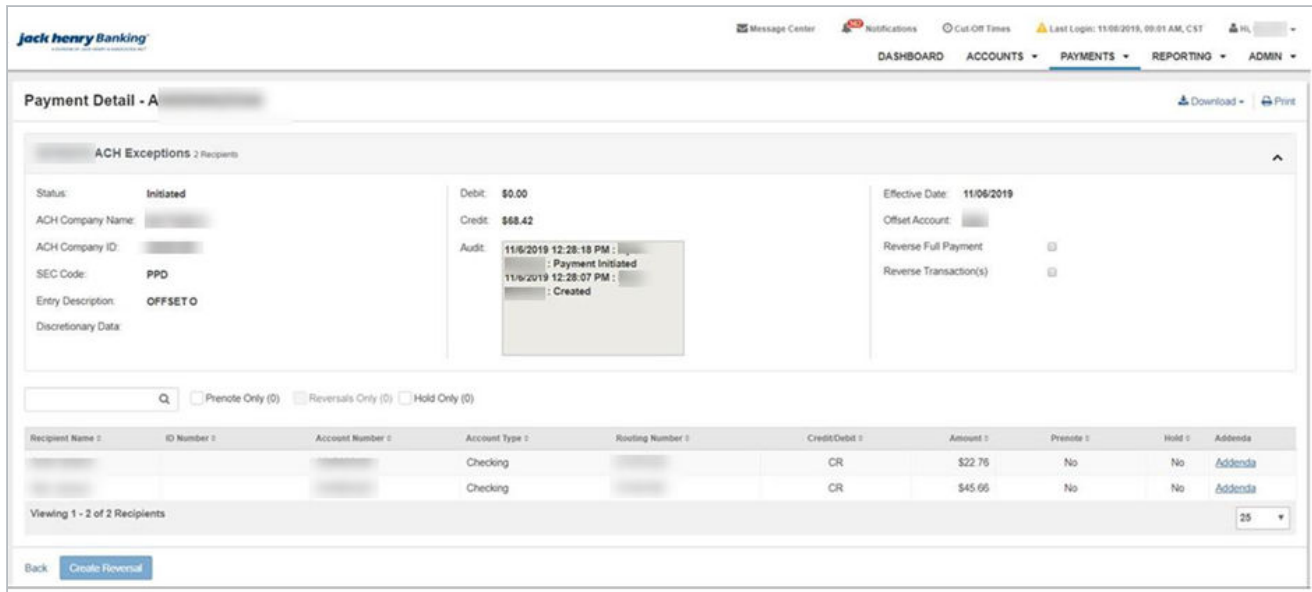

3. Complete the **Account Type** fields for **Checking Equals** and **Savings Equals** if the file does not contain transaction codes.
4. Complete the **Transaction Type** fields for **Debit Equals** and **Credit Equals** if the file does not contain transaction codes.
5. Select **Save**.

ACH Reversals

You can reverse full ACH payments or individual transactions, provided your ACH company is allowed to originate both debits and credits.

You can create an ACH reversal only during a specific window. Reversals are allowed:

- Before cutoff on the first through fifth days after the business day effective date.
- After cutoff on the first through fourth days after the business day effective date.

Reversing an ACH Payment

Follow the steps outlined in this topic to reverse selected ACH payments.

1. Go to **Payments > ACH > ACH Payment Activity**.
2. Select a payment to reverse.
3. Select an option:
 - **Reverse Full Payment**
 - **Reverse Transaction(s)**

NOTE

The **Reverse Full Payment** and **Reverse Transaction(s)** options only appear if the transaction is eligible for reversal based on the business day effective date and cutoff criteria.

If you select **Reverse Transaction(s)**, a Reverse check box appears next to each listed transaction.

4. Select individual transactions to reverse, if necessary.
Held and prenote transactions cannot be reversed. Use the **Reversals Only** check box above the list of transactions to view only those transactions you have selected.
5. Select **Create Reversal**.
The *Reverse ACH Payment* screen appears.
6. Review your reversal selections, and then select **Confirm**.

Positive Pay

Within **Payments** > **Positive Pay**, you can create Positive Pay items, work with Positive Pay and ACH exceptions, and work with Positive Pay upload formats.

Check Exceptions

Use the *Check Exceptions* view to search for a specific Positive Pay exception and to view the available list of Positive Pay exceptions.

To find an exception, start typing either the **Account** number, **Check Number**, **Issued Amount**, **Paid Amount**, or **Issued Date** in the **Type to Filter** search bar at the top of the page. The exceptions available narrow down as you type until the matching exception is left.

You can also filter exceptions using the following decision buttons:

To Decision

The default display for check exceptions. All exceptions in this listing are available to be decided. As exceptions are decided, they are removed from this listing and moved to the *Decided Today* listing. Additionally, decided items are displayed in the *All Items* listing with a green check indicating that they were previously decided.

Decided Today

This listing displays all check exceptions that have been previously decided. Exceptions in this listing may be updated until the cutoff time.

All Items

This listing displays all check exceptions that need to be decided as well as check exceptions that have already been decided. Exceptions in this listing may be updated until the cutoff time. All exceptions that have been previously decided are indicated with a green check.

Select the **View Check** link in the *Check Number* column to view the front and back sides of the check used in the exception.

Select **Details** to view additional information including who updated the exception, the **DDA Batch Number**, and **DDA Sequence Number**. You can also **Request Correction** on an exception from this screen if the feature is active for your institution.

Select **Review** to display exceptions that you have taken action on. Actions such as modifying a decision from the default or adding a return reason places an exception in the review queue.

Select **Review All** to display any exceptions that were actioned as well as any exceptions that you want to accept the default decision on.

Additionally, you can add the *Positive Pay Check Exceptions* widget to your *Dashboard* view.

NOTE

Decided exceptions appear in the *Positive Pay Check Exceptions* widget up until the cutoff for continued review. A green check next to each exception item indicates that the exception has previously been decided.

Searching Check Exceptions

Follow the steps outlined in this topic to search for specified check exceptions.

1. Go to **Payments > Positive Pay > Check Exceptions**.
2. Expand the *Search Check Exceptions* panel.
3. Select **Open Items** or **Decision History**.
4. Complete the fields.

TIP

Select **Reset** for the fields to return to their default settings.

Accounts

Select the appropriate account numbers, or leave all accounts selected by default.

Check Number

Enter the number of the check used in the exception.

Issued Amount

Select either *Amount Range* or *specific Amount* from the drop-down list, and then enter the amount in the text boxes.

Paid Amount

Select either *Amount Range* or *specific Amount* from the drop-down list, and then enter the amount in the text boxes.

Posted Date

Select either Date Range or specific Date from the drop-down list, and then enter the date using the  calendar feature.

Issued Date

Select either Date Range or specific Date from the drop-down list, and then enter the date using the  calendar feature.

Issued Payee

Enter the payee information.

Payee

Enter the payee information.

Decision Taken

Select from the following options:

- Pay
- Return
- Both

5. Select **Search**.

Working with Check Exceptions

Users can work with check exceptions from the **Positive Pay** menu.

NOTE

After the check exceptions cutoff time, all check exceptions are locked and no further actions are allowed. Additionally, all check exceptions on this page remain until end-of-day processing is complete. Then, these transactions move to history and you can view them on the *Check Exceptions - Decision Activity* page. Return reasons and comments are retained with the corresponding transaction in *Check Exceptions - Decision Activity* in Commercial Online Banking.

1. Go to **Payments > Positive Pay > Check Exceptions**.

 - Select specific Amount, and then enter it in the space available.
 - Select Between, and then enter the numbers the amount falls between in the spaces available.
 - Select Less Than, and then enter the number you know that the amount is beneath in the space available.
 - Select Greater Than, and then enter the number you know that the amount is above in the space available.
12. Select an option from the **Payment Type** drop-down list, if necessary.

13. Select Inbound, Outbound, or Both from the **Transaction Type** drop-down list, if necessary.
14. Select Debit, Credit, or Both, if necessary.
15. Select **Run Report**.
The information matching the criteria selected appears in the main panel.

Deleting Reports

Follow the steps outlined in this topic to delete selected reports.

You cannot delete any reports available as *Standard Reports*.

1. Select the **Reporting** menu.
2. Select **Favorite Reports** or **Custom Reports**.
3. Find the report to remove, and then select **Delete** inside the report box.
A *Confirm Deletion* dialog box appears.
4. Select **Delete Report**.

Standard Reports

Select the report to view and/or configure that specific report's data.

The *Standard Reports* view has several default reports:

- *Current Day Balance*
- *Current Day Transaction*
- *Date Range Balance*
- *Date Range Transaction*
- *EDI*
- *Prior Day Balance*
- *Prior Day Transaction*

You can download all reports in PDF and CSV formats. The *Current Day Balance*, *Current Day Transaction*, *Prior Day Balance*, and *Prior Day Transaction* reports can also be downloaded in BAI2 format. BAI2 is a file format used to perform electronic cash management balance and activity reporting. This is a setting your institution controls.

Electronic Documents

When enabled, *Electronic Documents* allow users to view and manage statements and other documents in an interactive HTML format.

Electronic Documents is available from the **Reporting** menu.

Within *Electronic Documents*, you can access the following tabs to view documents and configure electronic document preferences:

- *Statements and Notices*
- *Documents and Settings*

- *Disclosures*
- *Email Settings*
- *Additional Recipients*

Admin

Use the **Admin** menu to view the user list, create users, edit user permissions, and assign nicknames to accounts.

User List

Use the *User List* view to see the list of users, edit their contact information, edit their permissions, reset their passwords, and approve or reject enrollments.

To find a user, start typing the **Login ID**, **User Name**, or **Enrollment Status** in the filter box at the top of the page. The users available narrow down as you type until the matching user remains.

Enrollment Status options are as follows:

- **New** - The user has been created but not yet submitted for approval. New users can only be **Not Enrolled** or **Inactive**.
- **Pending Approval** - The user was created and submitted for approval but is not yet approved. Users pending approval cannot be **Active**, only **Inactive**.
- **Enrolled** - If applicable, all required approvers have completed and approved the user setup. This user can log on to the application and conduct business if the **Active / Inactive** toggle is set to **Active**. An enrolled user can be **Active** or **Inactive**.
- **Not Enrolled** - The user was created, but the entitlement process may not be complete, or the creator is not yet ready to allow this new user to log on. This user could be a new user that has not yet started their position. Not enrolled users can only be **Inactive**.
- **Active** - The user was created, approved, enrolled, and set to **Active**. This user can log on to the Treasury application and conduct any business they are entitled to do.

- **Inactive** - The user may be created, approved, and enrolled, but **Inactive** status prohibits the user from logging on. **Inactive** can be used for a user that is temporarily away from their duties.
- **Edited** - The user's account access or entitlements were edited. Edited users can be **Active** or **Inactive**.
- **Super Users** - Super users have access to all accounts and product feature permissions enabled for the company, including accounts and product features enabled in the future.
- **Admin** - Admins can add, edit, delete, and approve company users in the Commercial Online Banking.

You can also select **Create New User** from the *User List* view.

Actions Drop-Down Menu

The following options are available from the **Actions** drop-down menu on the *Account Lists* page:

- **View User** - If the information has been previously edited, you can select **Show Unsubmitted Edits** to see the changes made, who made the changes, and at what time those changes were made.
- **Reset Password**
- **Edit User** - You can set limits for payment types and delete users.
- **Copy User** - You can copy an existing user to make a new user with the same access, entitlements, and limits.
